Sir.

This confirmed what Ahmad Maysser informed me that Islamic state looking for distributors in Syria like ours. for distributing 150,000 ton of cement (75,000 ton in Iraqi and 75,000) ton in Syria.

I told Ahmad how they can go to ask for for distributors in Syria and there is no production of cement?

He told me from my experience dealing with ISIS, those people didn't go to step 2 unless they achieved step one,

Best regards
