Dear Mamdouh and Hassan

Hereafter security instructions:

- appoint look-out post 24 hours a day with radio contact with Hassan, in order to check any troop movement and information from outside
- keep minimum employees to watch out CPP cooling
- prepare mattresses, food, water, sugar in plant electrical/technical tunnels

In case of clashes coming to plant, move teams to tunnels and wait.

No departure by car under emergency. Cars to be used on day time after full assessment of roads security.

Hassan to send email every 2 hours to inform about situation during day, at least every 4 hours during night.

Dear Ahmad

Please contact regularly parties and inform about situation and intents.

Contact PYD to understand customers trucks situation.

Many thanks to all
